### **NATURE OF THE ACTION**

69. This is an action for damages and equitable relief pursuant to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), 29 U.S.C. Sections 1001, et seq. and New Jersey State law.
70. As fiduciaries of the ERISA plans or benefit funds (the “Funds” or “Benefit Funds”) described below, the Plaintiff brings this action, pursuant to 29 U.S.C. Section 1132(a)(2) and (a)(3) and New Jersey State law, against these Defendants, in their official and individual capacity as fiduciaries for said Benefit Funds, for having wrongfully denied and/or mismanaged the Benefit Funds, thereby breaching the fiduciary duties they owed to the Plaintiff.
71. On December 20, 2016, the Plaintiff was asked to attend a meeting with Defendant John Ballantyne, the Funds Attorneys Mr. Widman and Mr. Kroll, the Management Co-Chairman Mr. John DeLolliss and Vice Chair Jack Kocsis.
72. At that conference the Plaintiff was asked to take a seat next to the “Funds” Attorney Mr. Widman and directly across from the Defendant John Ballantyne. They proceeded with questions of the Plaintiff about receiving his pension since October, 2015. The Plaintiff responded that as and because he was then sixty-five (65) years old, he commenced collection of his pension, to which he believed he was entitled and also continue working.
73. They confronted the Plaintiff and accused him of self-dealing and that the Plaintiff would have to repay the pension payments already received.
74. After further inquiry, the Plaintiff then responded that since 2001 he was in receipt of, on a quarterly basis, his annuity contribution for which taxes were paid.

75. The attorney for the Board of Trustees, Mr. Jack Widman responded that the Plaintiff would have to return and reimburse the annuity contribution previously taken without identification of a sum certain.

76. The Plaintiff responded that the Funds' accountant (David Evangelista) had previously reviewed the subject of the Plaintiff collecting his pension upon reaching the age of sixty-five (65) at the prior September 2015 Board of Trustees meeting.

77. The Plaintiff awaited a response from the Funds' attorney and with no response forthcoming the Plaintiff then commenced his pension on October 1, 2015.

78. The Funds' attorney, Mr. Jack Widman claimed he did not remember what was previously discussed with the Fund's accountant (David Evangelista).

79. Accordingly, the Plaintiff asked Mr. Jack Widman to kindly to put in writing how the Trustees of the Funds would like to proceed.

80. On Wednesday, December 21, 2016 the Plaintiff received the Trustees of the Funds ultimatum, at approximately 12:00 noon, to retire on December 29, 2016 or be terminated on December 23, 2016.

81. Agreement to that ultimatum would and now immediately results in the Plaintiff forfeiting over one million (\$1,000,000) dollars of compensation to be paid pursuant to the Plaintiff's Employment Contract.

82. Accordingly, the Plaintiff announced his refusal to that ultimatum and decided not to retire, with no further discussion of the matters reviewed on December 20, 2016.

83. The Plaintiff made attempts to connect with the Funds' attorney, Mr. Jack Widman and finally on Thursday, December 22, 2016 did receive a return telephone call from

Funds' attorney, Mr. Jack Widman, who again asked the Plaintiff if he had decided whether to tender his resignation or not.

84. The Plaintiff advised he was compelled to seek legal advice and would then reply.

85. The Plaintiff then received another telephone call from Funds' Attorney, Mr. Widman where the Plaintiff advised that he would not agree to retire, whereupon Mr. Jack Widman directed that the Plaintiff was to clear out his office that night (December 22, 2016) and not return.

86. The Plaintiff was fired by the Trustees on Thursday, December 22, 2016 although he had been originally advised that termination would be effective Friday, December 23, 2016.

87. Since Thursday, December 22, 2016 the deferred compensation portion of Plaintiff's pension payments under the Non-Qualified Deferred Compensation Plan have been frozen and stopped. That pension payment stands in excess of \$14,000.00 a month and through the month of March, 2017 the Fund has now wrongfully withheld three (3) months payments and there is no indication that said pension payments will be resumed at any time now or in the future.

88. The Fund has also unilaterally and intentionally denied the Plaintiff access to his annuity account under the New Jersey Carpenters' Annuity Plan. That annuity account presently contains in excess of Seven Hundred Thousand Dollars (\$700,000.00).

As of this date, the Fund continues to wrongfully withhold payment and otherwise deny the Plaintiff access to those annuity account funds and there is no indication that said annuity account payments will be resumed at any time now or in the future.

89. The Fund has also wrongfully, unilaterally and intentionally denied the Plaintiff payment of his salary under the Plaintiff's Employment Contract.

As of this time, the Fund has wrongfully withheld two (2) months payments, totaling \$28,903.00, to date and there is no indication that payments under said Employment Contract will be resumed at any time now or in the future.

90. On Thursday, December 22, 2016 the Plaintiff departed his office and drove his business automobile home where it was left directly in front of his house after which it was retrieved by the Fund.

91. The Plaintiff also left all of the business credit cards in his office simultaneously with his departure on December 22, 2016.

92. The Plaintiff had previously purchased an iPhone and iPad for office use with personal funds and was requested to keep all business information confidential which was done.

93. The Defendant Executive Secretary-Treasurer John Ballantyne in his official capacity and individually, then wrongfully, maliciously and deliberately proceeded with the publication of a press release announcing the Plaintiff's firing, and has further personally directed the issuance and publication of two (2) separate emails to the entire Union membership and then followed by correspondence to the entire membership again wrongfully, maliciously and deliberately restating and repeating his press release, all of which has portrayed the Plaintiff "in a false light."

94. The press releases, emails and correspondence were transmitted to the entire Northeast Regional Council of Carpenters membership by the Defendant Executive Secretary-Treasurer John Ballantyne, in his official capacity, and individually, was

intentionally and deliberately falsely published without basis and intended to again portray the Plaintiff “in a false light.”

95. From the outset, the Plaintiff received no explanation of the purported allegations, either from the Trustees or through Fund counsel, Mr. Jack Widman, specifically as to any questions about “self-dealing.”

96. At the meeting in which it is now clear that a deliberate pre-judgment had been reached, the Plaintiff responded without reservation and with full clarity about the proper exercise of his rights as enumerated above.

97. The freezing of the Plaintiff’s pension was utterly premature, wrong, deliberate, without an accounting and without authority and otherwise done to intentionally and deliberately exact injury upon the Plaintiff.

98. The Plaintiff had been employed by the Fund office since 1984, with never so much as a suggestion of any kind, with respect to his fidelity and his performance as Administrator on behalf of the Funds.

99. During his time as Administrator, there were no matters or issues as to jeopardy and/or financial integrity of the Funds.

100. Any and all annual audits by independent accounting firms and United States Internal Revenue Service confirmed that the financial integrity of the “Funds” throughout the Plaintiff’s administrative leadership as being utterly and completely intact.

101. Nevertheless, the Plaintiff was terminated on December 23, 2016 with four (4) years left on his employment contracts. The employment contracts have in the past and that currently in effect were initially entered into between the Plaintiff and the

then Trustees of the Funds in 1998 (the "Employment Contract"). The Employment Contracts renewed for 5 year periods after initial establishment, unless the Trustees of the Funds terminated the Employment Contracts within a specified time preceding the expiration of each 5 year renewal.

102. In accordance with his annual salary (\$286,845.00) the Trustees consistently awarded the Plaintiff at least one week holiday bonus pay based upon the number of years of employment. The consistent award of the holiday bonus pay to the Plaintiff is further evidence of the Trustee's recognition of the Plaintiff's excellent administering the Funds. That bonus has also now been wrongfully and deliberately denied to the Plaintiff despite the fact of his entitlement pursuant to the Employment Contracts.

103. The Plaintiff's annual salary as of December 20, 2016, was \$286,845.00. With four (4) years left on the Plaintiff's Employment Contract the Plaintiff is immediately entitled to the sum of \$1,147,380.00 in wages.

104. The Employment Contracts further provided for a ten (10%) percent annual annuity contribution.

105. The Plaintiff is further eligible to collect his pension (both qualified and deferred pension benefit) and there is no indication that said pension payments will be resumed at any time now or in the future.

106. The Fund is currently only paying the Plaintiff his monthly pension benefit under the New Jersey Carpenters' Pension Plan, which is the sum of \$10,000.00 per month and has otherwise wrongfully and deliberately frozen \$14,000.00 per month which is payable under the Non-Qualified "Deferred Compensation Plan which now totals as

due and owing \$42,000.00 for the months of January 2017, February 2017 and March 2017, and there is no indication that it will be resumed at any time now or in the future.

107. The Fund has further wrongfully and deliberately denied access to and froze the Plaintiff's annuity which has \$700,000.00 in the Plaintiff's annuity account, while also wrongfully and deliberately blocking access to another profit sharing account containing \$24,000.00. The Plaintiff has an absolute legal right to these accounts. The withholding of payment and return of said funds to the Plaintiff is illegal and a malicious action by the Trustees of the Funds in their official capacity and individually.

108. The total loss, not including health coverage and various other benefits, pursuant to the terms and conditions of the Employment Contracts, is presently set at \$1,933,760.00.

109. The Fund has wrongfully, deliberately, maliciously, unilaterally and illegally denied the Plaintiff access and otherwise froze the above set forth funds. Under the Fund's contractual obligations, Plaintiff is now seeking judgment for these monies.

#### **FIRST COUNT**

#### **Breach of Fiduciary Duty Under Sections 502(a)(2) and 502(a)(3) of ERISA**

110. Plaintiff repeats the allegations set forth in Paragraphs 1 through 109 as set forth herein at length.

111. The Defendants, and each of them, is a "fiduciary" as defined in ERISA Section 3(21)(A). As fiduciaries, the Defendants were owed the Plaintiff an obligation to administer and operate the Qualified Plans and the Non-Qualified Deferred Compensation Plan in accordance with the terms of ERISA and the Regulations issued pursuant thereto by the Internal Revenue Service and the Department of Labor.

112. Section 401(a)(13) of the Internal Revenue Code provides, *inter alia*, "A trust shall not constitute a qualified trust under this section unless the plan of which such trust is a part provides that benefits provided under the plan may not be assigned or alienated." Each of the Qualified Plans provide, in fact, that benefits thereunder may not be alienated or assigned.
113. Notwithstanding the specific provisions of the Qualified Plans and the applicable provisions of ERISA, the defendants seized and withheld the assets of the Qualified Plans belonging to the Plaintiff in an attempt to satisfy unproven and alleged claims and debts owed to the Defendants.
114. Said seizure and forfeiture is a direct violation of the Defendants' fiduciary duties to the Plaintiff pursuant to Sections 502(a)(2) and 502(a)(3) of ERISA.

**WHEREFORE**, Plaintiff demands:

- (a) An immediate restoration of payments of the benefits to which he is entitled;
- (b) Reimbursement of previously withheld benefits illegally withheld by the Defendants;
- (c) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;
- (d) for punitive damages;

- (e) compensatory and punitive damages against the defendants individually;
- (f) for interest;
- (g) for costs of suit;
- (h) for attorneys' fees; and
- (i) for such other relief as the Court deems just.

**SECOND COUNT**  
**Breach of Fiduciary Duties under Section 503 of ERISA**

115. Plaintiff repeats the allegations set forth in Paragraphs 1 through 114 as set forth herein at length.

116. Section 503 of ERISA [cite] provides:

"In accordance with regulations of the Secretary, every employee benefit plan shall:

(1) provide adequate notice in writing to any participant or beneficiary whose claim for benefits under the plan has been denied, setting forth the specific reason for such denial, written in a manner calculated to be understood by the participant, and

(2) afford a reasonable opportunity to any participant, whose claim for benefits has been denied for a full and fair review by the appropriate named fiduciary of the decision denying the claim."

117. Pursuant to the authority contained in Section 503 of ERISA, the Secretary of Labor issued Regulations contained in 29 CFR Section 2560.503-1, et. seq. Such Regulations contain the specific rules concerning the establishment of claims procedures and administrative requirements which every "employee benefit plan" is required to provide. With regard to non-qualified plans that are not required to provide Summary Plan Descriptions pursuant to 29 CFR Sections 2520.104-23 or 2520.104-

24, such plans are required to make the participant aware of the existence of the plan's claims procedures in conjunction with enrollment in the plan and how to obtain such procedures upon request.

118. The Qualified Plans contain provisions which are intended to satisfy the claims procedures and administrative requirements set forth in 29 CFR Section 2560.503-1, et. seq.

119. The defendants never provided the Plaintiff with copies of the claims procedures and administrative processes for appealing the denial of a claim or a benefit to which the Plaintiff was entitled under the Non-Qualified Plan.

120. The Defendants, without notice and without cause, seized and withheld the assets of the Qualified Plans and the Non-Qualified Plan without satisfying any of the notification requirements of the Regulations, or providing the Plaintiff with any opportunity to appeal the Defendants' seizure and withholding of the benefits to which he is entitled under the terms of the Qualified Plans and the Non-Qualified Plan.

121. 29 CFR 2560.503-1(l)(1) provides that, in the case of a plan that "fails to establish or follow the claims procedures consistent with the requirements of this section, a claimant shall be deemed to have exhausted the administrative remedies available under the plan and shall be entitled to pursue any available remedies under Section 502(a) of the Act on the basis that the plan has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If a claimant chooses to pursue remedies under Section 502(a) of the Act under such circumstances, the claim or appeal is deemed denied on review without the exercise of discretion by the appropriate fiduciary."

122. Plaintiff has exhausted his administrative remedies under the Qualified Plans and the Non-Qualified Plan.

123. By virtue of 29 CFR 2560.503-1(l)(1), have breached their fiduciary duty to the Plaintiff by failing to establish or follow a reasonable claims procedure under the Qualified Plans and the Non-Qualified Plan.

**WHEREFORE**, Plaintiff demands:

- (a) An immediate restoration of payments of the benefits to which he is entitled;
- (b) Reimbursement of previously withheld benefits illegally withheld by the Defendants;
- (c) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;
- (d) for punitive damages;
- (e) compensatory and punitive damages against the Defendants individually;
- (f) for interest;
- (g) for costs of suit;
- (h) for attorneys' fees; and
- (i) for such other relief as the Court deems just.

124. Plaintiff repeats the allegations set forth in Paragraphs 1 through 123 as set forth herein at length.

125. Every fiduciary of an “employee benefit plan” and every person who handles funds or other property of such a plan is required to be bonded pursuant to ERISA Section 412(a), et. seq.

126. Upon information and belief, the Plaintiff and the Defendants were bonded pursuant to the requirements of Section 412(a) of ERISA.

127. Upon information and belief, the Plaintiff and the Defendants were covered by a fiduciary liability insurance policy or policies.

128. The allegations made against the Plaintiff by the Defendants are of such a nature that the Defendants and the Qualified Plans and the Non-Qualified Plan could be made whole through claims which could have been made by the Defendants under said bond and fiduciary insurance policy, rather than by illegally seizing and withholding the benefits to which the Plaintiff is entitled.

The defendants violated their fiduciary obligations to the Plaintiff and the Qualified Plans and the Non-Qualified Plan by failing to exercise their right to be made whole, to the extent they have valid claims against the Plaintiff, by filing claims under the bond and Fiduciary insurance policy rather than seizing and withholding the benefits to which the Plaintiff is entitled.

**WHEREFORE**, Plaintiff demands:

(a) An immediate restoration of payments of the benefits to which he is entitled;

(b) Reimbursement of previously withheld benefits illegally withheld by the Defendants;

(c) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;

(i) for such other relief as the Court deems just.

130. The Fund made the above stated representations with respect to the Plaintiff's employment with the intent that Plaintiff rely upon them.

131. The Defendants have no basis upon which to deny the Plaintiff all of his compensations and knew that the above stated representations on or after December 20, 2016 were false at the time that they were made to Plaintiff.

132. The Plaintiff reasonably relied on the terms and conditions of the Employment Contract and additional terms and conditions of the Benefit Funds.

133. As a result of the Plaintiff's reliance on Defendants' representations and the Defendants' breach of those contractual conditions, the Plaintiff has incurred damages.

**WHEREFORE** the Plaintiff demands judgment on this Count against the Defendants as follows:

- (a) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;

146. The Defendants received and continue to wrongfully retain and have frozen the Plaintiff's monies and to which Plaintiff is lawfully and immediately entitled.

147. Any reason for continuing with the present campaign of denying the Plaintiff his compensation and retirement monies, such reasons for such denial are otherwise false and pretextual and specifically are designed to deny said funds which the Plaintiff has worked his entire career to earn.

148. By virtue of Defendants' retention of said funds, it has been unjustly enriched.

**WHEREFORE** the Plaintiff demands judgment on this Count against the Defendants as follows:

- (a) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;

150. As aforementioned, on or about 1984 Plaintiff entered into an employment contract with Defendants, which was amended in 1998 to the current Employment Agreement, whereby Plaintiff was retained as Administrator and Fund Manager to the Benefit Funds and is entitled to benefits thereunder.

151. Now in breach of said Employment Contract and the provisions of the Benefit Funds, the Defendants have retained millions of dollars in amounts clearly owed to the Plaintiff.

152. There is no justification for Defendants to withhold these amounts with respect to the services provided by the Plaintiff over a significant number of years.

**WHEREFORE** the Plaintiff demands judgment on this Count against the Defendants as follows:

- (a) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;
- (b) for punitive damages;
- (c) for interest;

- (d) for costs of suit;
- (e) compensatory and punitive damages against the Defendants individually;
- (f) for attorneys' fees; and
- (g) for such other relief as the Court deems just.

**NINTH COUNT**  
**(Common Law Fraud)**

153. The Plaintiff repeats the allegations set forth in Paragraphs 1-152 as set forth herein at length.

154. In connection with the Benefit Funds, Defendants, directly and indirectly, alone and in concert, knowingly or with reckless disregard, employed devices, schemes and artifices to defraud, make untrue statements of material facts, and/or omit to state necessary material facts in order to make statements egregiously misleading, and aided and abetted each other and others who may have worked together with them, in all such fraudulent conduct to deny Plaintiff his earned contractual payments and benefits.

155. Throughout the course of dealing with the Benefit Funds, the Defendants through the Trustees made statements written or oral to the effect that these were legitimate contractual payments and benefits to which the Plaintiff was fully entitled.

In addition, payments to the Plaintiff were fully and properly reflected on Internal Revenue Service Forms W-2 and Form 990s.

Additionally, counsel, accountants and actuaries paid by the Defendants Trustees and/or Benefits Funds had full and unrequited access to said information and were otherwise fully apprised of any allegation.

The denial of all entitlements to the Plaintiff on the grounds that the Defendants were without knowledge of the pension and other benefits owed to the Plaintiff and payments owed to the Plaintiff under the Employment Contract, is false, otherwise without support and wrongful and illegal conduct by the Defendants.

156. It is now clear that representations and promises were made by the Defendants with the intent to deceive the Plaintiff.

157. The Plaintiff did not know of the falsity of the representations.

158. The Plaintiff reasonably relied upon such representations to his detriment.

159. The representations were material and the Plaintiff reasonably relied upon the representations of Defendants.

160. The Defendants knew the Plaintiff was relying on their representations that payments under the Employment Contract and amounts held under the Funds would be available.

161. Thus, Defendants have deceived Plaintiff and defrauded the Plaintiff by withholding and freezing the above funds due to the Plaintiff.

162. At all relevant times, Plaintiff did not know of the untruths and misrepresentations described above.

163. To the contrary, Plaintiff relied in good faith upon the statements and representations of Defendants and Plaintiff believed those representations to be true and complete and did not have knowledge that payments and benefits would be denied to the Plaintiff based on false allegations.

164. By reason of the foregoing, Plaintiff has been damaged in an amount as yet to be determined, but believed to exceed five million (\$5,000,000.00) dollars and Plaintiff is entitled to punitive damages from the Trustees in an amount to be determined at trial.

**WHEREFORE** the Plaintiff demands judgment on this Count against the Defendants as follows:

- (a) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;
- (b) for punitive damages;
- (c) for interest;
- (d) for costs of suit;
- (e) compensatory and punitive damages against the Defendants individually;
- (f) for attorneys' fees; and
- (g) for such other relief as the Court deems just.

**TENTH COUNT**  
**(Conversion)**

165. The Plaintiff repeats the allegations set forth in Paragraphs 1-164 as set forth herein at length.

166. Defendant Trustees have misappropriated and converted for their own use the Benefit Funds' assets without the consent of Plaintiff.

167. Despite due demand, Defendants have failed and refused to provide such documentation as well as an accounting to establish the bona fides of Defendants' withholding and freezing of all of the Plaintiffs accounts.

168. As a direct and proximate result of the unlawful misappropriation and conversion of the Plaintiff's assets the Plaintiff has been and continues to be damaged in an amount as yet to be determined, but believed to exceed five million (\$5,000,000.00) dollars.

169. In misappropriating and converting the Plaintiff's assets, the Defendants have been guilty of oppression, fraud and malice, and have acted in conscious disregard to the Plaintiff's rights, entitling Plaintiff to recover punitive damages against the Trustees in an amount as yet to be determined, but believed to exceed five million (\$5,000,000.00) dollars.

**WHEREFORE** the Plaintiff demands judgment on this Count against the Defendants as follows:

- (a) for compensatory damages, general and special and against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;
- (b) for punitive damages;
- (c) for interest;
- (d) for costs of suit;

- (e) compensatory and punitive damages against the Defendants individually;
- (f) for attorneys' fees; and
- (g) for such other relief as the Court deems just.

**ELEVENTH COUNT**  
**(Breach of the Implied Covenant of Good Faith and Fair Dealing)**

170. The Plaintiff repeats the allegations set forth in Paragraphs 1-169 as set forth herein at length.

171. In entering into the contracts with Defendants, Plaintiff reposed trust and confidence in Defendants, to, among other things, deal with the Benefit Funds fairly in all of their affairs.

172. Defendants knew of and accepted such trust and confidence at the time they entered into the contract with the Plaintiff.

173. In entering into the contracts with the Plaintiff, Defendants impliedly covenanted that they would deal with the Plaintiff fairly and in good faith and would not capriciously or without good cause deprive the Plaintiff of the benefits under the Benefit Funds or payments under the Plaintiff's Employment Contract.

174. By its act, Defendants have breached their covenant of good faith and fair dealing towards Plaintiff.

175. In breaching their covenant of good faith and fair dealing towards Plaintiff, Defendants have been guilty of oppression, fraud and malice, and have acted in conscious disregard of Plaintiff's rights, entitling Plaintiff to recover punitive damages in an amount as yet to be determined, but believed to exceed five million (\$5,000,000.00) dollars.

**WHEREFORE** the Plaintiff demands judgment on this Count against the Defendants as follows:

- (a) for compensatory damages, and general and special damages against the Pension Fund which paid Plaintiff's salary pursuant to his Employment Contract through December 31, 2015 and the Health Fund which paid Plaintiff's salary on and after January 1, 2016 and the payment of benefits which flowed therefrom;
- (b) for punitive damages;
- (c) for interest;
- (d) for costs of suit;
- (e) compensatory and punitive damages against the Defendants Individually;
- (f) for attorneys' fees; and
- (g) for such other relief as the Court deems just.
